

PINN metrics across generations · illustrative adjustment

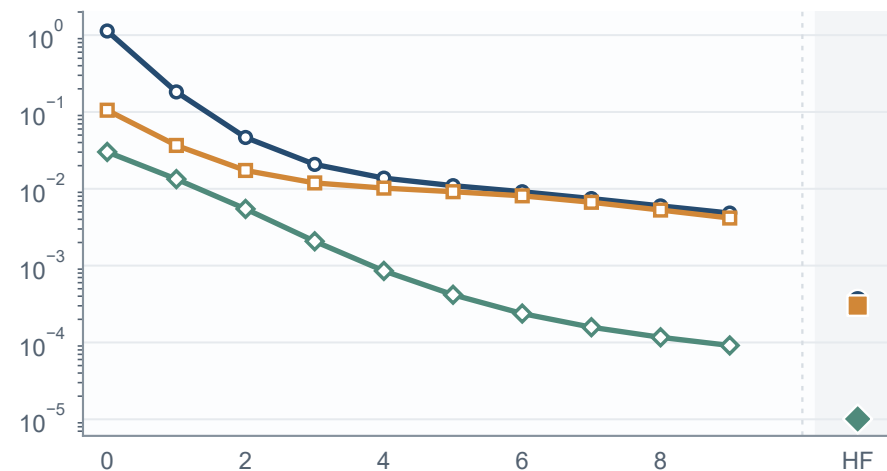

Dashed Navier–Stokes curves are illustrative · other values recorded · log scale

Training loss PDE residual Reference MSE

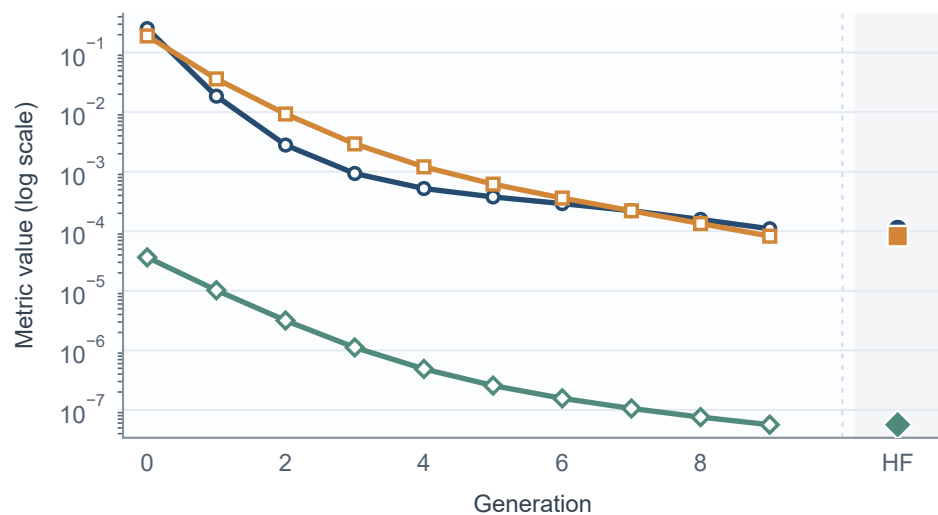

a Burgers · 1D

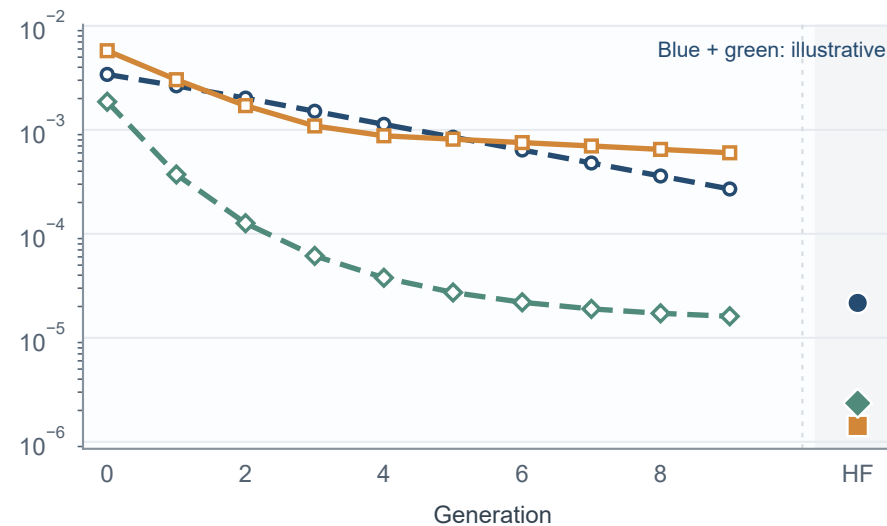

b Multiscale heat · 2D

c Poisson · 5D

d Navier–Stokes · 2D C

Illustrative: Navier–Stokes loss (0–9) and MSE (1–8); MSE falls rapidly, then plateaus. MSE endpoints and HF are recorded.
